

Kura - Dairy

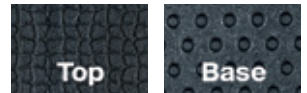

Premium 25mm interlocking mat with mosaic profile and thick studded base.

Kura is a high quality German rubber product, very popular due to its extreme durability in a wide range of applications. Surprisingly easy to clean - saving maintenance time and costs. The water-jet cut interlocking edges mean a secure fit. Can be cut to match the layout of your area, and the outside edges finished with an interlocking Kura Ramp edge.

Applications

Yard, Entry/Exit, Feed Pad, Laneway, Herringbone Platform, Stable, Deer Shed

Properties

Made in Germany from recycled rubber using a unique vulcanisation process. Fully sealed and won't hold moisture or bacteria.
